### Guide to Catholic Pro-Life Resources for Moms in the Diocese of Phoenix

*Pregnant and parenting moms in need are in our parishes and our neighborhoods. As Pope Francis reminds us, our parishes need to be "islands of mercy in the midst of the sea of indifference." Everyone in the parish community should know where to refer a pregnant woman in need. These local Catholic resources will enable you to connect moms and dads with help that will assist them in getting support and making their pregnancy as smooth as possible.*
